Chamber Votes Aid to Newest Port Campaign

Project Within Ability Of Redwood City To Pay Sought

"Complete accord" with the investigation of the possibilities of Redwood City undertaking port development "on its own" in Redwood Harbor was voted by the Redwood City Chamber of Commerce directors at a meeting Wednesday afternoon.

Pres. Edward T. Harrison, who presided, called attention to the fact that the chamber of commerce "has always been vitally interested in the development of a deep water harbor," and that it could and should lend its full assistance.

Elmore B. Hinman, one of the earliest and most persistent port boosters, formulated the chamber's expression that it could look with favor upon the new plan if efforts of the county port directors are not to bring about the development.

The chamber's resolution was adopted upon motion of L. E. Wolbert and second of George McQueen, chamber directors. William Vielhauer, editor of the Tribune, appeared before the directors to speak on the project and suggest favorable action.

RESOLUTION DRAFTED

The resolution, drafted by President Harrison, which the directors adopted, read as follows:

"WHEREAS the Redwood City Chamber of Commerce has always been vitally interested in the development of a deep water harbor at Redwood City, and,

"WHEREAS there now seems to be a possibility that such a port could be constructed with government aid, at a greatly reduced cost.

"BE IT RESOLVED that the Chamber of Commerce go on record as being in complete accord with the investigation of the proposed plan and lend its assistance in every way possible to the solution of the harbor problem and the construction of such a project as a municipal project."

JENKINS MAY RETAIN POST IN TREASURY

Ex-Treasurer 'Likely' To Be Sagehorn's Chief Deputy

Former County Treasurer Harry E. Jenkins "likely" will become chief deputy in his old office which A. H. Sagehorn, former Burlingame branch bank manager, took over a week ago Monday after Jenkins had resigned, the new treasurer said today.

Appointment will be made "within a week or so" when Auditor Clifford Piatt finishes his task of auditing the books preparatory to their transfer to the new official, Sagehorn said.

Jenkins, Redwood City resident who held the post nearly five years before resigning when his bond was cancelled, probably will replace Mrs. Maude E. Wright, chief deputy for the past nine years. She in turn may step down to the post of deputy, held by Miss Evelyn Heydenfeldt for five years. This has not as yet been worked out, however, Sagehorn said.

HONEY MAID CAKE RECIPE IS OFFERED

Here is a delicious layer cake recipe in which Honey Maid Graham crackers are substituted for flour, and which achieves a most delightful flavor effect:

1 cup sugar
½ cup butter or shortening
½ cup milk
3 egg yolks
¼ teaspoon salt
32 Sugar Honey Maid Graham Crackers
1½ teasp. baking powder
1 teasp. vanilla
3 egg whites

Cream the sugar and butter together. Add egg yolks, milk and salt and beat well. Crumble crackers very fine and mix with baking powder and add to sugar-butter mixture. Add vanilla and fold in stiffly beaten egg whites Turn into two greased layer cake tins and bake in a moderate oven (350 deg. F.) 20 to 25 minutes. Fill and top with whipped, sweetened and vanilla flavored cream and sprinkle with coarsely crumbled Honey Maid Graham crackers. Makes a nine-inch cake.

Council Seeks Hangar Funds In WPA Plea

Nominal Lease Offer For Runway Strip Won From O'Dea

Authority for City Engineer Charles Dimmitt to prepare an estimate of the cost of a WPA project for building a hangar at the Redwood City airport was given by the city council Monday night.

The hangar would be located on the city corporation yard property at Chestnut street and Bayshore highway in order to comply with WPA regulations that the land must be city-owned to win federal funds.

Cliff Walk, airport committee chairman, informed the council that a nominal lease has been secured for use of the central portion of the O'Dea property for utilization as a runway.

The corporation yard hangar would face into this runway.

Councilman James Eva, seconded by Councilman Evans Fletcher, approved authorization for preparation of the WPA estimate by City Engineer Charles Dimmitt. City participation is limited to approximately $2,000.

PAY BOOSTS VOTED

Two slight adjustments of salaries of Water Department Collector Margaret Cussen from $125 to $135 and of Poundmaster Allen McKay from $115 to $125 were voted. Two other proposals for slight increases of two city hall employes were rejected.

Hearing on the rezoning of a Wellesley Park lot behind the Union Oil station on El Camino Real to permit construction of bungalow court was set for November 18 at 8 p. m.

Councilman Eva brought up the question of the city solicitor ordinance, declaring some revisions may be necessary to keep a closer check on the type of men engaged in this enterprise. The matter was put off one week in the absence of City Attorney Albert Mansfield.

Walter Lynch presented a check for $123.02 to the city council as the balance in the soft ball baseball fund from receipts taken in during the season.

Dave Walter was permitted to re-install a sign which he had taken down to have repainted.

'Greatest Value' Is Claim Made For Chevrolet

Living up to its advance billing as "the only complete low-priced car," the 1936 Chevrolet is being acclaimed by thousands of Pacific coast motorists to bear the popular General Motors name plate, according to A. H. Davies, of the Davies Auto Company, local Chevrolet dealer.

Two complete lines of cars—the new master de luxe and the new standard—comprise the Chevrolet bid for America's preference in 1936. Both models are alike in major mechanical features and style advancements, each offering such values as perfected hydraulic brakes, higher-compression engine of 79 horsepower, higher and narrower radiator grille of brilliant new design, new-style side-mounted headlamps and turret-top body by Fisher. The chief difference between the two new Chevrolets is in the wheelbase. The Standard is now lengthened to 109 inches, with a gain of 13 inches in overall length, and an increase of 135 pounds in weight.

The master de luxe Chevrolet for 1936 is offered with either the time proved knee action or with conventional springing.

Outstanding among the many new features of both Master De Luxe and Standard models are improved engines having higher compression ratio (6 to 1), balanced carburetor, full-length water jacketing and other improvements resulting in greater gasoline and oil economy, the Cromodine rust prevention of fenders and running boards. Front doors of all models of both lines are hinged at the front. Spoke-type pressed-steel wheels are used on Standard Models.

An important innovation bringing a more comfortable ride is found in the design of the front seating arrangement of the master de luxe coach and town sedan. Instead of the usual divided and hinged front seat, a single seat cushion extends the full width of the car and accommodates three passengers with ease. The seat back is divided so that it folds forward and creates a passageway to the rear seating compartment.

The complete line of 1936 Chevrolets are on display at the showrooms of the Davies Auto Company, 1502 El Camino Real, Redwood City.

'BROADWAY MELODY' AT SEQUOIA

Jack Benny, the popular radio star, heads the cast of "Broadway Melody of 1936," which opens at the Sequoia Theatre Sunday for a three-day engagement. With the "mike" favorite will be found Eleanor Powell, whose dancing in this picture has made her a star overnight. Robert Taylor and Una Merkel will also be found on the cast.

SEQUOIA HIGH YOUTH INCURS SKULL INJURY

Second Student Hurt In North Fair Oaks Highway Mishap

In "fair condition," but suffering from a possible fractured skull, Walter Nichols, 15-year-old Sequoia high school student whose home is at 1162 University drive, Menlo Park, was in Community Hospital Tuesday as the result of an accident on El Camino Real near Selby lane yesterday afternoon.

The car in which young Nichols was riding with Edwin Coe, 19, of 141 Fifth avenue, North Fair Oaks, and Robert Murray, 15, of 251 Hawthorne, Palo Alto, rammed the rear of the machine of Mrs. May D. Wykoff, 1228 Brewster, Redwood City. Coe suffered a scalp wound which was not considered serious. Neither Murray nor Mrs. Wykoff was injured.

The boys were returning home from school when the accident occurred shortly after 3 o'clock. Murray, who was driving, had no driver's license, according to Police Chief J. Edward Farrell of Atherton, who investigated the crash. He reported Mrs. Wykoff was turning into a lane when the boys' machine struck her car.

BURLINGAME RITES HELD

(Special to The Tribune)

BURLINGAME, Nov. 7.—Private funeral services were held here yesterday for Letitia Ann Hayden, who moved to Burlingame from New Brunswick, Canada, a year ago. The rites took place at the Frank Wyckoff funeral parlor.

DITCH WORK UNIT C WINS FEDERAL AID

Hendricks Sees Start On November 18th Of Last Section

Work on Unit C, third of the Woodside road culvert projects, is expected to get underway November 18, Chief Deputy County Engineer W. W. Hendricks, WPA coordinator, informed the city council Monday night.

The project will cost $32,426 under the low security wage scale, but metropolitan wages, as ordered by the city and county, co-sponsors, will be paid. The extra cost will be taken care of in a supplemental application.

City-county costs, to be one half each, will be $6699, and WPA will put up $25,727, Hendricks announces.

Work of this final unit appeared impossible some weeks ago but through changes has now been assured.

Father McLaughlin Transfered to S. F.

Announcement of the appointment of Father Joseph E. McLaughlin to St. Patrick's Church in San Francisco was made today.

Father McLaughlin has been in Redwood City for the past two years.

His position here will be taken by Father Joseph Kenney of Sonoma.

Rev. Father J. P. Cavanagh is pastor of Mt. Carmel Church.

Lawyer Admits Game Violates Lottery Laws

Ferrell and Dematteis Say Plea Establishes Game As Gambling

(Special to The Tribune)

DALY CITY, Nov. 5.—Entering a surprise plea of guilty on behalf of four bingo game operators, Attorney George B. Harris of San Francisco this morning brought to a sudden end San Mateo county's court test of the disputed game.

Harris' move came as a packed courtroom awaited start of the long heralded trial to determine legality of the pastime which recently invaded this section with a palace at Bayshore City and a proposal for one here.

Forty-three prospective jurors, Dist. Atty. Gilbert Ferrell and Deputy Louis B. Dematteis, Sheriff James J. McGrath, Undersheriff Lawrence Nieri and deputies, Justice Wade H. Clay and court attaches were prepared for the start of the trial.

Harris announced that only one of the defendants, Henry Weinberg, "payoff man," was present, and asked that his trial go on. Ike Bernstein, manager of the now closed Bayshore palace, is still ill, Harris told the court. No reason was given for non-appearance of A. H. Allen, pit boss and John Hancock, card handler.

Dist. Atty. Gilbert Ferrell objected to carrying on the trial for one defendant only, whereupon Harris said he would plead guilty to one of the six counts against the quartet. He did, pleading to the charge accusing bingo of being a violation of the state's lottery laws. The other counts then were dropped. Sentence on the four will be passed Friday at 10 a.m.

The guilty plea was hailed by the district attorney's office as an admission bingo is gambling, as contended by Ferrell and Dematteis.

Frost Company One of Oldest Roofing Firms

C. L. Frost Company, roofers, is one of the oldest roofing firms on the peninsula. Offices are maintained all through Northern California. The firm has completed may major projects such as the Sunnyvale Airbase and Hamilton Field. In meeting the strict requirements of the government, Frost Roofing Company has built up a high standard that is carried through on small jobs as well. The business has the reputation of giving the homeowner excellent work and quick service at a reasonable cost.

Free inspection service to homeowners is one of the company's specializations.

Jack Hare is local manager.

IN REDWOOD SCREEN OFFERING

Arthur Pryor, Jean Parker and Robert Taylor, shown in "Murder in the Fleet," playing at the Redwood Theater Sunday and Monday. On the same program will be "Calm Yourself," starring Robert Young and Madge Evans.

O'FARRELL'S SERVICES SET FOR 8:30 A.M. TODAY

Smashing headon in his car into a parked truck on the San Mateo-Hayward bay bridge, Richard E. ("Dick") O'Farrell, young San Mateo justice of the peace since January 1, was instantly killed at 2:50 a.m. Wednesday. O'Farrell, who had become known in San Mateo county both as a judge and as a lawyer, was driving east on the bridge when his sedan rammed the trailer of the truck driven by Al Vierra, 28, who was waiting to put his truck on the scales, occupied at the time by another machine.

Why O'Farrell was driving alone towards the east bay at the early hour could not be learned. His parents, Mr. and Mrs. William O'Farrell, pioneer San Mateo residents with whom he lived, declared they did not know why he had left his home at that time, but that they believed he might have been en route to confer with a client across the bay.

Another theory was that he may have been telephoned by a friend. It was said that on several occasions he had been known to leave his home in the night on the call of a friend in trouble. He had not retired before going out, it was reported.

SURPRISE ACTIONS

Twenty minutes before his death, O'Farrell, who was 32 years of age, had been seen by bridge attendants, they told Sheriff James J. McGrath.

The attendants said a car had approached the toll house, turned around and headed back toward San Mateo.

Suspicious actions of the machine caused the attendants to take its license number. Upon comparison after the accident it was found to have been O'Farrell's automobile.

It is believed the young unmarried attorney-judge died almost instantly. His skull was crushed, it was found at Mills Memorial Hospital where he was rushed by ambulance. He had been thrown through the windshield of his motor car. The car was nearly demolished, garage attendants reported.

DID NOT SEE TRUCK

Evidently O'Farrell never saw the parked truck. No skid marks of tires were evident on the pavement, according to Sheriff McGrath, who investigated.

The bridge was straight where the accident happened, about 150 feet west of the toll house, and the night was clear. Vierra told officers the truck tail light was burning. There was ample room for O'Farrell to have passed by the truck, had he turned out.

Judge O'Farrell lived with his parents, his sister, Miss Florence O'Farrell, and his two brothers Walter and William, at the family home at 28 Hayward avenue, San Mateo.

His death cut short a promising career. A graduate of San Mateo elementary and high schools and of Santa Clara University, O'Farrell secured his law degree from Hastings Law School in 1929.

He then went into business with Milton A. Huot, practicing in the bay city until last year, when against a field of four candidates he was elected justice of the peace of the second township, succeeding Percy W. Jackson, who had retired to run for district attorney.

SAT HERE OCCASIONALLY

Since his election he often had sat on the bench in the Redwood City justice court during absence of Justice Edward I. McAuliffe on vacation or week-end trips.

Of Judge O'Farrell, Judge McAuliffe, a friend and fellow bar member, said:

"I had a lot of admiration for him. He made a very fine judge. He had command of his future, which undoubtedly would have been brilliant. His passing will be a great loss not only to his family but to the entire county."

O'Farrell presided at the preliminary hearing early this year of Florencio ("Frank") Alcalde. The judge ordered the youth free of charges of murder in connection with the death of Miss Kathleen Robinson, former Redwood City girl.

Out of respect to Judge O'Farrell's memory, the flag at the courthouse was flying at half mast Wednesday and department 2 of superior court was adjourned.

Successor to the justice will be appointed by the board of supervisors from someone residing in the second township.

Vierra, driver of the truck, was not held. The truck was owned by Jack Stadler of Newark. It was loaded with mash, used for cattle feed.

Funeral services for O'Farrell will be held Friday at 8:30 a.m. from the George W. Sneider Parlors in San Mateo. At 9 o'clock rites will be held at the St. Matthew's church in San Mateo. Interment will follow at Holy Cross Cemetery.

In adjourning court on motion of Atty. Joseph J. Bullock, who recalled the successful handling of the Alcalde case by Judge O'Farrell, Superior Judge A. R. Cotton said:

"It is with sincere regret that I learn of the passing of my old friend Richard E. O'Farrell.

"It is always sad when a young life of great promise, such as his was, is cut off in his youth, just as he is embarking on a most promising life work.

CAR PURCHASE URGED

Purchase for $692 of a five-passenger automobile for use of Mrs. Teresa Altieri in her new job as old age aid applicant investigator was recommended to the supervisors today by County Manager Kellogg.

Marshall Picks Brown As New Foreman Here

Daneri Takes Charge Of Coastside Area, Fahy in North End

Reorganization of the county engineering department to bring about a decrease in personnel and a decentralization of the bureau to put men and equipment nearer their work was begun Tuesday by U. S. Marshall, named Monday to the engineering post. post.

As he announced plans for three road districts, each with its own foreman, Marshall also disclosed that two jobs would be abolished completely. They are the $2700 post of Road Superintendent Richard Amick and the $2580 position of his assistant, Ernest Hoffman. Marshall plans to handle this work himself, thus saving $5280 annually in salaries.

The three districts will have headquarters at Colma, Half Moon Bay and Redwood City.

Foreman of the first district will be John J. Fahy Sr., Daly City councilman and for the past month inspector of the Bayshore garbage dump.

Henri Daneri of Half Moon Bay will be foreman in the second district. He was foreman for Supervisor Manuel Francis before the road districts were consolidated by the charter, and since has worked at various times for Engineer James S. James and Carl R. Scott, having been discharged a few weeks ago by Scott.

BROWN FOREMAN HERE

William H. Brown of San Mateo, son of former Supervisor Rosalie M. Brown and foreman for his mother when she was in office, will be in charge of the third district, with headquarters here.

Replacing A. Matson, Harry W. Arnold was named bridge foreman. He and his crew will have charge of bridges throughout the county. Arnold was inspector on the controversial Lobitos Creek bridge, which was built by Matson.

All the foremen, including Arnold, will be paid $8 a day, Marshall said.

First district includes territory between the San Francisco county line and San Carlos, extending down the coastside to Pedro Point. Included will be the Salada Beach road, Junipero Serra boulevard, Ralston road and Pulgas Creek road. Headquarters will be at Colma, use being made of the old corporation yard there.

The second district includes all the coastside from Pedro Point south to the county line. Its headquarters will be at Half Moon Bay.

The third district includes the area from San Carlos south to the county line, and includes the Skyline, part of the LaHonda and the Alpine Creek roads. Headquarters in Redwood City will be at the present corporation yards.

All foremen will be responsible directly to Engineer Marshall.

The new foremen will replace some four or five others, according to Marshall. He has not determined as yet just who will be supplanted, he said.

BAILEY DISMISSED

E. B. Bailey, who was deputy engineer under Scott, has been dismissed, Marshall said, his place being taken by W. W. Hendricks, Redwood City engineer.

Hendricks will be road and WPA coordinator, Marshall said.

Already Hendricks has begun his work of developing projects for submission to WPA authorities, he said. Hendricks plans to confer with each supervisor in an effort to develop projects. He also plans to push start of the four projects for which funds already have been allotted, but work not started on.

The Woodside road culvert project is underway, with 48 men working. Ike Stage is in charge of the job for the engineer's office. Total value of the five projects is $105,000, with $73,000 being contributed by the federal government.

A number of other projects submitted last week to the supervisors by Scott will be considered for submission to WPA authorities, Hendricks said. Included is the proposed unit connecting existing roads to make a fast highway to the coastside.

Decreasing of the bureau's personnel and the division of the roads into districts are in line with recommendations made last week by the new grand jury.

NEW AMBULANCE ORDERED

Contracting for the county's new ambulance to be used in connection with Community Hospital has been let to Glenn O. Smallcomb, Burlingame Chevrolet dealer, by Purchasing Agent Stanley Kelly. The machine will cost $1248. It will be ready for use shortly.

1936 CHEVROLETS CAPTIVATE AMERICA

Here is Chevrolet's bid for America's volume-car preference — two new complete lines of cars in two price ranges — the 1936 Master De Luxe and the 1936 Standard. Both models are equipped with perfected hydraulic brakes among many other identical chassis improvements. Both have Turret Top Body by Fisher. *Top Left:* new Standard four-door sedan with built-in trunk. *Top Right:* new Master De Luxe Town Sedan. *Bottom Left:* built-in luggage and tire compartment in Master De Luxe Town Sedan. *Bottom Right:* new Master De Luxe Coupe. *Right Panel Views, top to bottom:* perfected hydraulic brakes, higher-compression valve-in-head six engine, finger-tip shockless steering, roomier and richer interiors.

Pipeline Worker's Death Held Accident

SAN MATEO, Nov. 6. — "Accidental death" was the verdict today of a coroner's jury investigating the fatal accident in which William Burtram, 27, San Bruno, was killed in a construction mishap on a P. G. and E. pipeline job back of the San Mateo County Relief home.

At the inquest held at the Crosby funeral parlor in Burlingame it was brought out that Burtram was nearly stripped naked when hit by a heavy piece of pipe blown loose in a pressure test.

ANOTHER BATTLER

GIBRALTAR, Nov. 4 (AP) — The battleship Ramillies arrived here today from England to replace her sistership, the Resolution, in Great Britain's reinforced Mediterranean fleet.

WHEREVER YOU USE

MENLO PARK NEWS

Miss Elizabeth Stimson of Portland, Ore., has leased the Moninger home on Moninger lane where she expects to live for the winter.

Menlo Park Parent-Teacher Association will observe "Fathers' Night" this evening with a meeting in the Central School auditorium, beginning at 8 o'clock. It is announced that there will be a speaker and entertainment to be followed by the serving of refreshments.

Miss Frances Stent and her fiance, Richard Wood, were guests of honor at a cocktail party given last Sunday afternoon by Mr. and Mrs. Samuel Wright at their Atherton home.

A pre-nuptial dinner for the couple will be given tomorrow by Miss Peggy Hooper.

Mr. and Mrs. Wright are inviting friends—many of them University of California people—for a luncheon before the "Big Game" on November 23.

Mrs. Foree Chittenden gave a luncheon Monday for members of the Menlo Park Woman's Club. A business session and a talk on world peace by Mrs. Helen Million, a guest speaker, followed.

The club will give a card party this afternoon at 2 o'clock at the home of Mrs. H. L. Ewers, 150 Mariposa street. Score cards will be 25 cents and proceeds will go to the philanthropic section. The public is invited.

The Palm Hotel by the Oak Grove Villa closed this week, leaving the Menlo Park Hotel the only one in business. In years gone by both of these institutions did a thriving business. It is believed that it will again open.

James Ewing, a resident of Menla Park for some years, passed away last week, following an operation in San Francisco. The deceased was a retired railroad engineer and came with his wife to Menlo Park shortly after his retirement.

Miss B. Doyle, formerly of Menlo Park, left Redwood City last week for Chicago where the young lady will visit relatives and friends. She will be absent for some months.

James D. O'Kane arrived home from New York on Friday last. The weather was delightful there. He was surprised on arriving in Menlo Park to encounter the severe storm on Friday night. While in New York, Mr. O'Kane had an interview with Al Smith who appeared to be well informed on California politics. Mr. Smith may oppose President Roosevelt for the Democratic nomination next year, although Mr. O'Kane says the president is quite popular in the East and it will be difficult to secure the nomination from him.

Anna Theusen, grand president of the Native Daughters of the Golden West, will pay her official visit to Menlo Park parlor Monday, November 11. A class of candidates will be initiated in her honor.

Menlo Park American Legion Auxiliary No. 443 held a card party in Legion Hall Tuesday afternoon.

W. H. Weeden will be a guest of the San Mateo county planning commission at their dinner meeting to be held at Hotel Benjamin Franklin this evening.

Miss Meta Kugeler assisted Mrs. Isabelle Weeden Lindquist in entertaining the patients at a show given at the U. S. Veterans' Facility Friday night. The show was put on by Belle Haven American Legion Post. T. Louis Chess of San Mateo furnished a moving picture which was greatly appreciated and enjoyed by the patients who also enjoyed the music and singing provided by Miss Lindquist and Jack La Marr.

Harry Allerecht Sr. is recovering from his recent illness at his home on San Antonio avenue.

Herrscher Appeals Ruling on Neylan

Edmond E. Herrscher, peninsula attorney, served notice through Attorneys Edward A. Cunha and Harry Stafford in San Francisco Tuesday that he would appeal Judge Walter P. Johnson's decision denying disqualification of John Francis Neylan, defense attorney in the $2,000,000 defamation suit against the Charles S. Howard family.

Net cost of the World War to the United States was $27,600,000 a day; including loans to the Allies, the sum rises to $38,500,000 daily.

Menokirk Members Invited to Dinner

Future of the Menokirk Club, composed of men of Redwood City protestant churches, will be threshed out next Wednesday when members are invited by the Methodist Men's Club to attend a dinner meeting in that church, at which Dr. Walter Morritt, retired Methodist minister and former professor in the University of Turin, Italy, will speak. He will discuss "The Italian Blacksmith Anvil Solo."

Claude Altman, club president, is arranging the meeting, which will start at 6:30 p.m. The Ladies' Aid of the church will serve the banquet.

'Amateur Night' List For Fiesta Revealed

Entries in the First Congregational Church "amateur night" tomorrow night, as announced today by Mayor Charles Lambert, who will preside at the gong, are:

Billy Dusel, Reginald McGovern, Nancy Marlow, Virginia Serveau, Eugene Serveau, Dick Russel, Jack Lessand, Leon Terry, Irene Boicelli, Ada Puccetti. Others who may wish to take part in the program should contact Mayor Lambert.

(More festival news, Page 3).

$15,000 Fire Hits Hillsborough Home

(Special to the Tribune)

SAN MATEO, Nov. 4—Furnishings and several rooms of the Hill borough home of Jerome J. Hurley, San Francisco cafe owner, were damaged yesterday to the extent of $15,000 when fire, starting from an overheated furnace, swept through the place. Mrs. Hurley, alone in the house at the time, escaped uninjured. The loss was covered by insurance.

MRS. ALTIERI IN NEW POST

Appointment of Mrs. Teresa Altieri of Colma to the newly-created $1800-a-year post of old age pension investigator was made Tuesday by Director of Health Charles Gana. Mrs. Altieri, who has been employed as case worker in the social service department, succeeds Matthew Grady, Daly City, who resigned after holding the position a month.

George Hill Lewis of Cincinnati received the first radio license in the United States in 1911.

Burlingame Council Considers Rezoning

(Special to The Tribune)

BURLINGAME, Nov. 6.—Application to rezone Donnelly street as a business district was made by Harry Dessin, local automobile dealer, to the city council here.

Already refused by the city planning commission, the application was not acted upon by the council, which announced it planned to call a meeting of property owners on the street, now a residential zone one block long, to decide disposition of the zoning problem.

A request of the San Mateo County White Collar League that the city instigate a termite investigation was tabled until the councilmen could learn whether other peninsula cities were supporting such surveys.

BLAST IN FACTORY

BLUMAU, Austria, Nov. 4 (AP)—The Austrian government powder magazine at the munitions factory here exploded today. One building was demolished but no loss of life was reported.

Campbell hill, in Logan county, is the highest point in Ohio.

Armistice Service Planned By Veterans

Members of the local American Legion and auxiliary posts will have their Armistice service on Sunday evening at the Methodist church, at which time the Rev. Schuyler Pratt of the Episcopal church will speak on "Vision of Peace." All veterans and the general public are invited to the meeting, which will start at 7:30 p.m.

The men—Andy Orlando, 28, and Youtha Rowell, 23—had already severed six of the seven bars in the ventilator grate when Jailor Robert Nelson heard the noise and summoned assistance.

LEGAL

NOTICE OF TIME SET FOR HEARING PETITION FOR PROBATE OF WILL AND ASSIGNING ENTIRE ESTATE TO WIDOW.
No. 6957—Dept. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of JOSEPH O. FRIEDEL, also known as J. O. FRIEDEL, Deceased.

A document purporting to be the last will and testament of Joseph O. Friedel, also known as J. O. Friedel, deceased, having on the 18th day of October, 1935, come into possession of said Superior Court, and a petition for the probate thereof and for setting aside the entire estate to the widow having been filed by Vivien Friedel, the widow of said deceased, with me, the Clerk of said Court, notice is hereby given that Monday, the 12th day of November, 1935, at 10 o'clock a.m. of said day, in Department No. One, at the courtroom of said Court, at the Court House, in the City of Redwood City, County of San Mateo, State of California, has been set as the time and place for proving the will of said Joseph O. Friedel, also known as J. O. Friedel, deceased, and for hearing the application of said Vivien Friedel for the issuance to her of letters testamentary and setting aside the entire estate to the widow, when and where any person interested may appear and contest the same.

GIVEN under my hand and the seal of said Superior Court this 18th day of October, 1935.

SUMMONS
No. 24995

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

ALICE GERTRUDE FOSTER, Plaintiff, vs. GUY LESTER FOSTER, Defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

The People of the State of California Send Greetings to:

GUY LESTER FOSTER, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 24th day of October, A. D. 1935.

(SEAL)

E. B. HINMAN, Clerk.
By AMY R. HOLMES, Deputy Clerk.

T. H. LIMPERT,
San Mateo, California,
Attorney for Plaintiff.

NOTICE OF TRUSTEES' SALE

On Tuesday, the 19th day of November, 1935, at 10:00 o'clock A. M., at the front door of the County Court House in Redwood City, San Mateo County, California, ASA E. HULL and C. M. DOXSEE, trustees, said Asa E. Hull and C. M. Doxsee having been substituted as trustees in the place of P. P. Chamberlain and J. L. Ross, deceased, will sell at public auction to the highest bidder for cash in lawful money of the United States the following described real property situate in the county of San Mateo, State of California, and known and described as follows, to-wit:

Lots 18 and 20 as designated on the map entitled "Resubdivision of Lots 1, 2, 3 & 4 Block 27 of Oak Knoll Manor near Redwood City, Calif.," which map was filed in the office of the recorder of the County of San Mateo, State of California, on September 5, 1919, in Volume 10 of Maps at page 25, to which said map and the record thereof reference is hereby made and the same made a part hereof.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by WILLEY H. MOULTHROP, also known as W. H. MOULTHROP, and GLADYS C. MOULTHROP, also known as GLADYS MOULTHROP, his wife, as trustors, to P. P. CHAMBERLAIN and J. L. ROSS, as trustees for San Mateo County Building and Loan Association, a corporation, as beneficiary, dated August 8th, 1928, and recorded in Volume 355 of Official Records, page 492, San Mateo County records; that trustors have made default in the payment of principal and interest on said deed of trust and the promissory note secured thereby and in the payment of taxes on said real property, which default still continues.

Notice of breach of said obligation and election to sell said real property was recorded on January 21st, 1935, in Volume 646 of Official Records, page 68, said San Mateo County records, and more than three months from the date of the recording of said notice of default and breach and election to sell have elapsed.

This notice is given in compliance with the demand heretofore made on said trustees by San Mateo County Building and Loan Association, a corporation.

Dated: October 21st, 1935.

ASA E. HULL,
C. M. DOXSEE,
Trustees.

ROSS & ROSS,
Attorneys for Trustees.

AMATEUR HOUR AT CHURCH SET

1000 Attend Festival During First Day; Ends Tonight

Continuing into its second day, the fall festival of the Congregational church tonight will be featured by "Mayor Lambert's Amateur Hour" and the Fellowship of Youth's presentation of selections from The Desert Song, with orchestra and chorus of 50. The program begins at 7:45 p.m. Admission is 25 cents.

Yesterday approximately 1000 people visited the afternoon and evening sessions of the program. The "Tiny Tots Fashion Parade," participated in by 50 youngsters under six, proved especially pleasing in the afternoon.

While Alwyn Alwyn, Palo Alto violinist, was prevented by illness from presenting his featured numbers last night, the women's chorus under direction of Mrs. Cleo Phillips proved especially pleasing to the large audience, as did the church choir's presentation under direction of Herman Phillips and the chorus numbers.

Tonight's amateur hour has attracted considerable interest. Entrants include:

"Five Little Girls From School," with June White, Gertrude Carlock, Mary Ellen Raffensperger, Marjory Oliver and Nell Taylor; "The Wandering Minstrel," Bill Dusel; "The Young Violinist," David Mayo; "Steps and Graces," Carolyn Mayo; "The Venetian Trio," Patricia Cossitt, Marton Cossitt, Judy Moore; "The Harmonica King," Reg McGovern, and the following with unnamed acts: Nancy Marlow, Virginia Serveau, Eugene Serveau, Dick Russell, Jack Lessand, Leon Terry, Irene Boicelli and Ada Puccette. Applications may be made up to 7:30 p.m. at the church.

Dinner will be served from 5:30 to 7. The dozen booths, heavily patronized last night, will be open until 10 p.m. The Palm Court was "swamped" with business yesterday, it was reported.

Redwood City's Officials Asked To Clipper Fete

Mayor C. G. Lambert, Pres. E. T. Harrison of the chahber of commerce, and Postmaster R. E. O'Connell have been invited to represent this city on a committee of civic leaders of the bay region to participate in ceremonies celebrating the first spanning of the Pacific ocean by a mail plane, November 22.

The celebration is being sponsored by the San Francisco Chamber of Commerce.

Four flights, the first of regularly established mail and passenger service, have been scheduled, with the first westbound plane leaving San Francisco November 18 following a postponement from the original starting date of November 8. East bound planes are to leave Manila November 18 and December 2. Rates per half ounce will be 25 cents to Hawaii, 50 cents to Guam, and 75 cents to the Philippines.

The postal department is issuing a special 25 cent stamp for the occasion, which may be secured in the San Francisco Postoffice

Collectors wishing to secure cancellations of the flight may send envelopes bearing their home address and labelled "By First Contract Trans-Pacific Flight" to the postmaster at San Francisco with remittance to cover the cost of the necessary stamps. The scope of the service desired, as "San Francisco to Hawaii" should also be marked on the envelope.

Rochex Files Contest To Divorce Action

Mrs. Dorothy Rochex of San Mateo will not win a divorce without a contest, it developed today when Marcel Rochex, former real estate broker, filed an answer and cross complaint to her action instituted earlier in the week.

Rochex revealed in the papers that he since November 1 has not been connected with the firm of Rochex and Rochex; claims property she lists as community is his alone, and declares she nagged him. The couple, wed six years, have a 16-month-old child, Diana. Rochex' action was filed through Atty. F. E. Hoffman.

Tickets for Operetta On Sale at School

Tickets for the annual operetta to be given November 16 by Otis M. Carrington's Sequoia music classes were on sale today by members of the choral groups and at the high school office.

Two features, both composed by Carrington, are to be presented this year. "Paper Prayers" or "Song of Old Japan," and "Days of Forty-Nine" are the numbers selected.

Tickets are 25 cents.

Truck Driver Hurt In Crossing Crash

(Special to The Tribune)

PALO ALTO, Nov. 7—That the driver whose truck disrupted the run of the 7:36 a.m. train yesterday was seriously hurt in the crash near Cupertino was learned today. He was Ellery Brown, 36, of San Jose, assistant superintendent on the Stevens Creek dam construction job. He suffered a fractured hip, fractured left elbow, possible skull fracture and probable internal injuries.

His vehicle was hit when he drove onto the tracks after skidding nearly 60 feet in an effort to avoid being struck.

The train was delayed an hour.

For quick sales, use Tribune Want Ads.

To Play At Legion Dance Nov. 9

Music for the 16th annual Armistice Ball to be held in the Belmont Legion Hall on Saturday evening, November 9, will be furnished by the band of J. J. Richard.

Richard is prominent in the San Francisco Musicians' Union and is a well-known member of Zane Irwin Post of the American Legion in San Francisco.

The Belmont hall has one of the best dance floors on the peninsula, it is said.

The Department of Agriculture says the tent caterpillar rarely causes permanent injury to plants.

Porcupines travel backwards when attacking.

The American opossum is a representative of the kangaroo family.

JERRY RICHARD

C. C. Representative Wanted at Conclaves

Representatives of the Redwood City Chamber of Commerce at two conventions, one of which starts this afternoon, are wanted!

The first meeting is at Los Angeles. Approximately 1000 delegates from the state are expected to attend the 10th annual statewide meeting of the California State Chamber of Commerce today and tomorrow at the Biltmore Hotel. Special train rates are offered, but expenses are not being paid by the local chamber.

The other convention is of the western division of the United States Chamber of Commerce. It meets November 27-30 in Honolulu. Here again special rates are available.

Anyone who will represent the chamber is asked to contact Secretary-Manager Roscoe D. Wyatt.

Anti-Communist Move Meets Lions' Favor

Redwood City's Lions Club voted last night to endorse the move underway to remove the Communist party from the ballot. Various other service clubs in Northern California are joining in the move, it was reported.

Three members of the club were delegated to attend Friday night's dinner meeting at the Benjamin Franklin Hotel of the county planning and recreation commissions, board of supervisors and grand jury.

Last night's meeting was held at Manor Gardens.

URBAN MARSHALL GIVEN WHOLE BOARD SUPPORT

New Appointee Names Hendricks As Chief Deputy; Takes Over Road Superintendency Post

Offered the full support of the board of supervisors in the interests of harmony, Urban S. Marshall, former Piedmonter, today became engineer of San Mateo county after a six months' fight for recognition dating back to April 29.

Two of Marshall's first acts were to name W. W. Hendricks of Redwood City as chief deputy at a salary of $3000, and to abolish the office of Road Superintendent Richard Amick, $27-00-a-year-post, which Marshall said he would himself fill for the present.

Other expected changes in the office were not immediately determined by Marshall.

Carl Scott, embattled county engineer for the past six months, formally relinquished his post today, after resigning from office Friday. He informed District Attorney Gilbert Ferrell, to whom he had forwarded the resignation, that he was doing so "in the interests of harmony."

Scott will be given his back pay of $2420.

BEER, POOLE JOIN

Supervisors Fred Beer, San Carlos, and John Poole, Redwood City, who had opposed Marshall, gave him their votes today to make the decision unanimous. All members of the board and Marshall expressed the hope that harmony would now prevail.

Beer, in casting his vote, declared that Marshall was not his choice, but in the hope of ending the engineering controversy, offered Marshall his support because he was the selection of the majority.

Supervisor Poole joined Beer in wishing Marshall well and offered his support in the interest of harmony.

Marshall, in reply, said any of their proposals would be given the same consideration as those of the majority.

The new engineer, in thanking the board for his appointment, said he hoped to conduct the office under best engineering practices and to build roads and bridges which will save money and which will be of lasting benefit. He declared that if he failed to do so he would step down, assuring:

"You won't have to fight me."

Marshall's remarks were greeted by a display of handclapping.

Appointment of Marshall came on motion of Supervisor Walter High, Burlingame, and second of Supervisor Albert Witt Jr., Colma.

RESCIND WPA BUREAU

In keeping with the grand jury recommendation, presented by Edmund Minehan, secretary, the board today rescinded the WPA bureau. This office was fought by the Civic League and successfully blocked in petitions bearing 4400 names.

Hendricks will handle the WPA projects as part of the engineering staff work.

Vets Council Asks Merchants to Close

Redwood City Merchants are being requested by the local posts of the American Legion, Veterans of Foreign Wars, United Spanish War Veterans, their Auxiliaries and the General George Evans Relief Corps, to pay tribute to the World War dead on Armistice Day, November 11th, by suspending all business between the hours of 11 a.m. and 2 p.m.

A committee from the United Veterans Council, headed by Mrs. Ray Hayes, president of the American Legion Auxiliary, which is contacting the business houses, reports that while many offices and certain classes of business will close for the entire day, the majority of the retail merchants will close only between the hours suggested.

Board, Commissions Plan Joint Meeting

Consideration of progress made in acquisition of beaches and discussion of the recreation program and policy of the county will be main topics Friday night when the board of supervisors, planning commission and recreation commission hold a joint meeting at the Benjamin Franklin Hotel at 7 o'clock.

Tom Kyne, San Mateo county and San Francisco racing figure, was defendant today in a new suit on file in San Francisco Superior Court. Miss Nola McMinn, 18, asks monthly support of $250, $1,500 for medical care and $2,500 for attorneys' fees, alleging Kyne is the father of her unborn child. Another action for $75,000 for seduction is pending.

P.G. and E. REDUCES ELECTRIC RATES

New low rates will apply on electricity used in the home and for commercial lighting throughout P. G. & E. system. Over 690,000 customers will benefit by this saving of nearly $4,000,000 a year, beginning with January bills.

CHEAPER ELECTRICITY
Reduced electric rates mean just one thing—cheaper electricity. To each individual home in the P. G. and E. system and to all commercial lighting customers that means more comforts and conveniences from electricity at no additional cost.

APPLIES TO JANUARY BILLS
The reduced electric rates take effect automatically and apply on January bills to all domestic users and to all commercial lighting customers.

WHY this reduced electric rate?
This substantial saving to our customers of nearly $4,000,000 has been long under consideration and we have been planning carefully for it. We feel now we can justify it on the following four points of good business. These four points are:

1. ***Increased demand*** for electricity stimulated in part by the special inducement rate of the past year and in part by better business conditions.
2. ***Lowered financing costs*** brought about by reducing interest charges of a large part of the company's bonded debt with 4 per cent bonds.
3. ***Reduced management and operating costs*** which were lowered through the consolidation of several properties.
4. ***By economies*** put in effect in every department.

Take advantage of the new low electric rates. Do more electrically, now that all types of electric equipment for the home will cost less to use.

Electric Rates Cut again and again and AGAIN!

Electric rates have dropped steadily and consistently in the P. G. and E. system.

In 1928... rates were reduced by $2,418,900 yearly.

Again in 1930... rates dropped by $3,020,000 yearly.

Again in 1935... an inducement rate is saving customers $1,600,000 in one year.

NOW AGAIN in 1935-36 reduced rates save $3,924,000 yearly. In only eight years accumulated rate reductions have amounted to $54,621,000.

Electricity IS cheaper in California, with P. G. & E. electric rates among the lowest in the country

Retired Navy Aide Hurt in Auto Crash

After smashing into two cars and caroming into a telephone pole at Atherton at 8:15 o'clock Tuesday evening, Joseph Savoie, 48, 2056 Roosevelt avenue, was in the Community Hospital in San Mateo today undergoing treatment for a fractured rib and lacerated chin.

Savoie crashed first into the car driven by W. Duncan Squires of 1018 Cowper avenue, Palo Alto, bounced off into the machine of Joseph Azevedo of box 355, Woodside, and then hit the telephone post near the Cafe de Paris on El Camino Real.

New Nurse Named For High School

Replacing Florence Boddy, now a full-time nurse in the San Mateo secondary school district, Adeline E. Overton of San Carlos has been employed by the board of trustees as the new part-time Sequoia high school nurse. Miss Boddy will serve in the Burlingame and San Mateo high schools and in the San Mateo Junior College.

Some Indians scaiped their foes long before the coming of the white man.

HEAVENLY MOMENTS

Captured!

AND, the hungrier they are, the harder they fall for *White Star Tuna*... any way you serve it! And there are 86 delicious ways... each one chock-full of food and high quality protein.

For 22 years *White Star* has been America's favorite tuna. More of this quality tuna is sold than all other brands combined, because only the delicate, delicious *light* meat is packed. Its quality always delights.

Remember, it's the one food "delicacy" that you can buy at "staple" food prices!

FREE! Send for "86 New Proven Tuna Recipes" to Van Camp Sea Food Co., Inc., Dept. W, Terminal Island, California.

A Pure Food Honestly Advertised

The Seal of Acceptance of the Committee on Foods of the American Medical Association is your best guarantee of the quality of any product and the truthfulness of the advertising claims made for it. Look for this seal on every food you buy. White Star Tuna has this acceptance.

GRAND JURORS PLAN TRAFFIC SAFETY STUDY

Speeding Up of S. F. Third Street Unit Urged By Body

Declaring they have "only begun," members of the grand jury Tuesday night reported after their meeting in the courthouse they had held a general discussion of county affairs and made plans for future work.

Main topic for consideration was public safety, with a committee being named to promote means of minimizing traffic dangers in the county. On the committee are Allan Ward of Burlingame, chairman; H. E. Casey, Hillsborough; Mrs. Esther Berg, Burlingame, and Ralph Mitchell, Bayshore City.

Upon hearing this morning of the death of Justice Richard E. O'Farrell, Foreman Ward declared the entire jury would be saddened to learn of his untimely death only five hours after the inquisitors had reached decision to work towards elimination of hazards on highways. Ward said the death of the San Mateo judge would serve to spur the jury to definite action to make the highways safer.

ASK S. F. ARTERY

First recommendation of the committee, and endorsed by the jury, is that San Francisco's Third street be made an artery, similar to Tenth street, to speed up automobile traffic between downtown San Francisco and San Mateo county.

The local board of supervisors will be urged to ask the San Francisco board to take steps to make the change, thus eliminating five signal stops now on the thoroughfare.

Grade crossings looking toward separation projects also will be considered by the new committee, as will any matters dealing with public safety, Chairman Ward said.

This afternoon the entire jury, under leadership of E. R. McDonald of Burlingame, hospital committee chairman, will inspect the Community Hospital.

Friday the jury will meet in secret session at 6 o'clock in the Benjamin Franklin Hotel, adjourning at 7 o'clock for a dinner meeting with the supervisors and planning and recreation commissions.

CONFER WITH MARSHALL

Tuesday at 7:30 p. m. the jury will meet again here, with the county's new engineer, Urban S. Marshall, being called in to discuss his office.

Foreman Allan F. Hunt disclosed that Auditor Clifford Piatt has completed his report of expenses of the county for the past year, and also has completed his audit of the costs of the controversial Lobitos Creek bridge.

While declining to say what Piatt's figures showed cost of the bridge to be, the jurymen said it was nearer Inspector Harry W. Arnold's $5,000 figure than former Engineer Carl R. Scott's $3,500 estimate.

Although District Attorney Gilbert Ferrell reported bingo operators had pleaded guilty, the jury press committee, headed by Ed Weisenberger, declared the inquisitors were "by no means" through investigating the game.

No mention was made of the WPA bureau referendum petitions, jurymen said.

Eagle Pioneers Show Handiwork To New Leader

Boys of the Eagle Pioneer Club under the direction of Norbert Lambert, leader, held a special meeting at the Congregational church Monday at which time Taylor Reedy, new "Y" secretary, was formally introduced.

Unique among the features of the meeting was the well ordered and precise demonstration of a Pioneer opening ceremony. Attractively set up, a handcraft exhibit was displayed, among which were shown model airplanes, bead work, Indian blankets and model boats. Also on exhibition was the constitution of the newly-formed club.

"In my experience as a director of group work I have never seen a better organized or more effective club of Pioneer boys in action even though the club is only three weeks old," Reedy said. The club plans several service projects and many activities during the coming month. Already the group has visited the police department as an educational feature."

The officers of the club are Clyde Landes, chief ranger; Buddy Clark, deputy ranger; John Aragon, recorder; and Joe Dematteis, treasurer. Other members present were Robert Furger, Ross Blake Jr., George Schaffer, Eugene O'Sullivan, Howard Sahlberg and Louis Gunn. Under the auspices of the "Y" these boys will demonstrate their club work to the community in the near future.

'Y' Clubs Meet To Set Program For Two Months

Meeting at the home of Taylor Reedy, "Y" secretary, 1912 University avenue, Palo Alto, Monday night, the Redwood City Friendly Indian leaders reported the progress to date on the organization of clubs, and planned the program till the first of the year.

The clubs led by the leaders are school centered groups for boys ranging in age from about 8 to 13, and are related to the "Y," the latter serving in a general supervisory capacity.

Boys of these clubs will take active participation in several events, among which are:

1. Short rally meeting on the Stanford campus and attendance at the Stanford-Montana football game free of charge, Saturday, November 16.
2. "Y" boys' Thanksgiving service at the First Methodist Church, Redwood City, Sunday, November 24.
3. Mass field day or Pow Wow for Friendly Indian boys, Saturday, December 14. This event may be held at Sequoia.
4. Friendly Indian basketball tournament held early in January.

The meeting last night was a combination of fellowship and business as the wives were also invited. Mrs. Reedy served refreshments.

Leaders present were Homer Spellenberg, Jefferson school; Max R. Thornton, Garfield school; Andrew Spinas, McKinley elementary, and Jack Chappell, Washington school. Mrs. Spellenberg, Mrs. Thornton, Mrs. Spinas, Mrs. Reedy and Miss Sullivan formed a kitchen sewing circle during the meeting.

Mr. and Mrs. Spellenberg will entertain the group at the next meeting, Monday evening, December 2.

C. C. INVITES BEAUTIFYING SUGGESTIONS

Prize Letter Contest Planned to Further City's Beauty

What is your suggestion for city beautification of the entrances and other parts of Redwood City?

The chamber of commerce, through its directors, Tuesday afternoon authorized a letter writing contest on the subject by citizens of Redwood City and students attending schools within the Sequoia district.

Three prizes, $15, $10 and $5 will be offered by the chamber.

The contest was outlined by L. E. Wolbert, chairman, who is assisted by John Layng, John Gill, Henry Witte and George McQueen.

Judges in the contest will be Mayor Charles Lambert, Edward T. Harrison, chamber president; Witte, Ronald Campbell and Willa Carmack.

Pav'owa, famous ballet dancer, covered a distance of 25 miles during each of her major stage performances.

Cosmic rays have an energy of 40,000 million volts.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

Brisbane Dedicates Voters League Hall

(Special to the Tribune)

BRISBANE, Nov. 4.—Brisbane's new Voters League Hall was dedicated here yesterday, with Congressman John J. McGrath, Assemblyman Frederick C. Peterson, State Senator Harry Parkman, city and county officials in attendance.

Following dedicatory ceremonies, dancing was enjoyed throughout the afternoon and evening. The Ozark Wranglers played for old-fashioned dancing for several hours, being supplanted by Phil Inwood and his Moonlight Orchestra.

Beef and Vegetables For Relief Arrive

(Special to the Tribune)

BURLINGAME, Nov. 4.—If Capt. L. G. McAloney were to advise a diet today for San Mateo county families on relief, he would probably suggest a roast beef dinner, fresh vegetables and prunes for dessert.

For today in the Burlingame relief offices he has 1,875 pounds of dried prunes, 14,940 pounds of canned roast beef and 405 pounds of assorted fresh vegetables, all of which arrived for distribution to local needy families.

S. M. Moves to Own Local Fire Hydrants

(Special to The Tribune)

SAN MATEO, Nov. 5.—City Attorney Ernest Wilson was instructed by the city council at its meeting last evening to draw up a resolution by which the city eventually will take over ownership of fire hydrants here.

Councilman Justin Fitzgerald said the city was now paying $5,600 annual rental on the hydrants. Much of this sum could be saved under municipal ownership, he claimed. The move was endorsed by City Manager Earl P. Wilsey.

Other business included passing of an ordiance fixing business hours of the city's barber shops as from 8 a.m. to 6 p.m. with the exception of Saturday nights and before holidays when the shops may remain open until 7 o'clock.

Fall in Hotel Lobby Brings $20,000 Suit

For a broken arm, bruises and shock suffered when she fell in the lobby of the Hotel Benjamin Franklin in San Mateo, Nathalie Levy today sued the hotel owners, Crown Columbia Corporation, for $20,000. The accident happened September 17, the plaintiff alleged, and was due, she said, to an "obstruction and inequality" in the floor. She is represented in the suit by Attorneys C. Ray Robinson and M. Mitchell Bourquin.

The trade routes of Asia Minor, which connected the East with the West about 2000 B. C., were the first highways known.

COUNCIL SUPPORTS MOVE FOR CITY PORT PROJECT

Board Views Time As Opportune If Project Is to Win Funds From Federal Sources

In agreement that Redwood City—born of the sea 84 years ago—should do something to capitalize its harbor possibilities, the city council Monday unanimously authorized the city-wide Citizens Advisory Committee to study the proposal and to bring in a recommendation as quickly as possible. Co-operation of the Redwood City Chamber of Commerce and some of the individuals long associated with the harbor proposal, as Elmore B. Hinman and George Merrill, in making a joint study, was urged.

Also, at an early meeting, consultation with Congressman John J. McGrath, the county-wide harbor commission, including Henry Beeger, Redwood City member; County Engineer Urban S. Marshall, County WPA Coordinator W. W. Hendricks, WPA County Manager James S. James, and the San Mateo County Board of Supervisors will be asked.

The council's action follows a series of editorials in The Tribune urging this as the favorable time for action on the port project.

Mayor Charles Lambert brought up the proposal at the council session and, after discussion, Councilman Evans Fletcher moved, Councilman Robert Jones seconding, that the matter go before the Citizens Advisory Committee for immediate action.

This committee, called upon occasionally when grave problems confront the city on which it is desired to remove any political aspect, is headed by Rev. Norman W. Pendleton as chairman. Its membership includes representatives of all clubs and civic groups in Redwood City.

DISTRICT FUNDLESS

It was emphasized at the meeting that it was not the desire of the council to "tread on the toes" of the county-wide port group.

It was felt, however, that since the county district can do nothing without funds, and since these were denied by the county-wide vote, the possibility for harbor development now rested pretty well with what Redwood City would be willing to do.

The Tribune's suggestion, which its editor, William Vielhauer, outlined to the council, was that a greatly simplified poject be developed at the waterfront which would be in keeping with the ability of Redwood City citizens to finance.

The project would call for public terminal facilities, including a wharf and transit shed, of just sufficient size and of simplified design to give Redwood City a "footing" at the waterfront so that the decades-old dream of the city could be realized—that of becoming a seaport of San Francisco bay.

WPA FUNDS SOUGHT

Federal participation through WPA funds would be sought; county aid will be asked as a job-creating enterprise; cooperation of industries vitally concerned, such as the cement plant, in assisting in placing the costly materials within the ability of the city to acquire them, would be solicited: waterfront landholders would be asked to offer the property at the right figure, and Redwood City citizens would be requested to provide whatever remaining cash was necessary.

Cooperation of San Jose because of the apparent stalemate reached on its own harbor project in the way of inducing San Jose industries to patronize the port was reiterated as a possibility.

In this connection it is pointed out that it is to San Jose's interest to retain its plants by aiding them in having deep water available in the lower bay than to see them remove to Richmond, Oakland, and other bay points.

ADVANTAGES RECITED

Mayor Lambert, comparing the advantages of Redwood City over San Jose, recited that some years ago a congressional party arriving at the two ports for inspection found it possible to bring their launch to the foot of Bradford street and walk one block to their luncheon place, while, on the way to San Jose, the group in the same launch got stuck in the mud near Alviso and were still 16 miles from the intended port site.

The result, he said, was that Redwood City was given $10,000 for its harbor and San Jose, which had asked $2,000,000, got none.

City Manager Ernest Rolison declared the project "justified" and suggested that the city "get its foot into the door at the waterfront."

Councilman Fletcher, who declared the port a "good idea"; Councilman Paul McCarthy, who asserted the city had been "most neglectful" of its possibilities, and Councilman James Eva, who agreed that the port would give the city a "balanced development," spoke in favor of immediate action.

Potato Growers Told Allotment Time Here

Time for getting the application for potato sales allotment files is getting short, P. F. Meyers, emergency assistant in agricultural extension, College of Agriculture, reported today to coastside potato growers.

Meyers will be at the office of the Half Moon Bay Review, Friday, November 8, from 10 to 12 a.m.; at the San Gregorio store between 1 and 2:30, and at the Willowside Dairy (Mattei's) between 3 and 4 p.m.

Only growers who make the application for potato allotment will receive the benefits of the law.

Hedge, Oettinger Pair To Win Bridge Tilt

James R. Hedge Jr. of Redwood City and Frank Oettinger of Atherton were the winners today of the San Francisco Industrial League contract bridge team championship. With Vern Thompson and F. L. Mulhern of San Francisco the local pair teamed to win four weeks' duplicate play in the bay city. The quartet received a silver trophy a foot-an-a-half high for their victory.

Smoking does not dull taste, according to the U. S. Bureau of Plant Industry.

Richard the Lionhearted is believed to have invented tarring and feathering as a punishment.

R. C. Road Grading Is Soon to Begin

The Jefferson avenue grading project, a WPA job which will give 52 men employment for two months, will get underway either Monday or Tuesday of next week.

So James S. James, county WPA engineer, announced today in listing four projects on which work will begin immediately in the county.

The other three are the sanitary sewer in Memorial Park where 100 men will receive two months' work; San Francisquito Creek levies that will occupy 100 men 3½ months, and the Terrace Creek project in Burlingame where 28 men will be kept busy three months.

BONNIE MAGRUDER WEDS

Climaxing a romance begun last summer at Santa Cruz, Bonnie W. Magruder, 24, of Redwood City, son of Mr. and Mrs. E. W. Magruder, and Miss Mildred A. Carlson, 23, of Berkeley, over the weekend, secured a Reno, Nev. license to marry, the United Press reported today. Young Magruder, a Sequoia high school graduate, is engaged in business here with his father.

Rehearsals Underway For Belmont Comedy

(Special to The Tribune)

BELMONT, Nov. 4.—Rehearsals for "School Daze" to be put on by the Belmont Chamber of Commerce at the school auditorium on November 16 are well under way with the majority of the cast already knowing their lines.

Director Harry Ryan is reported pleased over progress shown by his charges and expects the show to outshine any of the previous "black face" productions seen in the community.

In addition to local talent, specialists, slams, gags and musical numbers, several outside acts will be included.

A crystal wireless set that can be placed on a dime and yet works perfectly has been designed by a London, Eng., lad.

CHEAP FINANCING SPURS CAR SALES

Auto Industry Expects Record Benefits Under New Plan

Low cost automobile finance appeared today as a major development in stimulating purchasing power in the California automotive field.

With 55 per cent of the state's automobile sales handled on an installment basis, reduction of interest rates on automobile contracts on a statewide basis is a considerable factor in an industry with annual sales volume of more than $250,000,000.

Prior to the current reductions, interest rates on automobile contracts have been out of line with interest rates on funds borrowed for other constructive purposes.

Last month Bank of America entered the automobile finance field with a program for handling automobile contracts at a substantially reduced cost to the purchaser.

General Motors Acceptance Corporation followed with the announcement of a new low-cost finance plan and indications are that other reductions will ensue.

The interest rate under the bank's auto finance plan is lower than the rate established by the government for modernization loans under the National Housing Act.

Significance of the reductions in financing cost of automobiles lies in the increase in purchasing power of potential automobile buyers who have refrained from purchasing cars because of excessive finance charges existing in the past.

It is logical that the reduction in interest rates and elimination of extra charges, which will make a material difference in the cost of automobiles to the retail buyer, will have a stimulating effect upon sales in California during the ensuing year.

The 1934 consumption of all types of textiles exceeded 3,164,000,000
